

PHARMACY AND NUTRITION GRADUATE STUDIES- APPLICATION QUESTIONS

Name: \_\_\_\_\_

Previous degrees: \_\_\_\_\_

Program of interest: \_\_\_\_\_

Degree	Discipline	Institution	Date Completed	Approximate Average

**\*PLEASE NOTE:** Direct acceptance into the Pharmacy or Nutrition PhD program requires completion of a thesis-based Masters of Science degree, equivalent to one earned at the College of Pharmacy and Nutrition.

\*Masters of Science degree requirements include three graduate courses and continuous registration in their thesis research during the entire degree program.

\*Admitted Master’s students who display promising aptitude for independent research required of a PhD program may transfer to the PhD.

Desired start date:	September- term 1	January- term 2	May- term 3
Please check off:			
Year:			

If you are not successful in acceptance to your chosen term are you interested in your application remaining active for up to one year?

\_\_\_\_\_

**FACULTY SUPERVISOR**

You may review faculty supervisors and their research areas on our program website. Please note that not all supervisors listed may be actively recruiting students. We recommend that students contact potential supervisors directly before applying- **PLEASE NOTE: \*students will not be accepted to our program unless a faculty member has agreed to supervise the prospective student.\***

Please indicate up to three faculty supervisors whom you are most interested in working with here, and indicate the date you contacted him/her:

Faculty supervisor	Date contacted
1.	
2.	
3.	

**SUITABILITY FOR GRADUATE RESEARCH**
